## ORIGIN COFFEE

Origin are a leading speciality coffee roaster in the UK. Their approach to sourcing is through a philosophical and ethical practice called direct trade; each year they travel across continents, through different countries, meeting generations of farmers in search of incredible coffee. The story behind every cup is unique and they thrive on sharing these stories with you.

## Tregothnan TEA

Tregothnan created the first tea gardens in the UK in 1999. Tea thrives in this special microclimate thanks to an 18 metre deep sea creek keeping the temperature close to Darjeeling in India, all year round. In 2005, once the first bushes reached maturity, Tregothnan sold the first truly English cuppa, giving tea home on British soil for the first time in history.

We are delighted to showcase the selection below.

Great British tea | Earl grey | Green tea

Lemon verbena | Manuka | Peppermint | Chamomile | Red berry

All £3.00
